We are delighted that you would consider using Rosemont Studio for your video. Our service includes 2 hours of free preproduction script and story board coaching, audio recording, producing, editing and mixing of the audio and video elements (photos / video) that you provide. **The cost is \$15 hr** except where noted. This chart shows the estimated work hours per ½ min of video as well as the number of estimated photos needed. A typical missionary video is 5 and 8 minutes. This price does not include the cost of purchased music or images. You are responsible for choosing music, obtaining permission from the artist(s) and/or publisher and paying any associated fees. *Audio Only recordings can be made at the hourly rate if you wish to produce your own PowerPoint or video.*

Extra services such as location shoots, ingesting video from tape, scanning pictures, color correction and adjusting photo brightness or contrast on are charged separately. Two character generation pages or lower thirds (placing words on the screen) are included but additional CG can be purchased separately. Professional male and female voice over talent may be available (primarily for deaf clients) and may incur an additional fee— *call for more info.*

On the first day of production, you will need to have the pre-written script finalized and available in both electronic and printed form. It should be story boarded with corresponding screen shots of pictures or video clips and music selections. Pictures should be scanned a *300 dpi*, cropped at 1920x 1080 pixels and saved as a JPEG or PNG. Videos can be a AVCHD, MP2, MP4 or Quick Time format. All pictures, video clips and music should be logically organized into folders and ready to transfer from CD, flash drive, external hard drive, or your Drop Box account.

The finished presentation will be delivered to you on 2 DVD's - free of charge. A web optimized file is also available at the standard hourly rate. The Rosemont logo, web address & phone number will be placed at the end of your presentation for 4 seconds as well as on the DVD label. Additional copies of your DVD in paper sleeves can be purchased at a rate of \$1.50 each. Jewel or poly cases are available for an additional fee.

When you are ready to proceed, please complete the form then sign, date & return it. Please make a copy for yourself.

I understand the terms of this agreement and that the estimated project cost may increase or decrease depending on the time spent on my video and the amount of special services I require. I also understand that I may adjust these services without charge before services are rendered and that payment is due in full upon the completion of the project. If payment is made within 5 business days of completion, an additional 5% off the LABOR will be deducted – not including travel expenses, extra services, professional voice overs or purchased images and/or music. PAYMENT by CASH or CHECK.
